From

To

The Secretary to the
Government of Mysore,
General & Revenue departments

Sir,

I have the honor to submit herewith for approval and publication in the Gazette, draft notifications for the sale of arrack Vend farms and separate shops for the year 1900-1901.

2. The alterations and additions made in the Notifications are the following:-

Notification for the sale of Arrack Vend farms.

(1) In view to prevent men of straw from bidding and causing inconvenience at the sales, it is absolutely necessary that intending bidders should be required to make initial deposits as laid down in para 2 (b) of Rule XXI in Government Notification No. C. 371, dated 12th March 1897. Hence the addition in para 3 of the sale Notification.

(2) The provision binding also the requisite property of the purchaser of the farms for the due fulfilment by him of the terms of his agreement, is inserted in para 5. This is necessary to prevent

conveyances

conveyances, mortgages &c of the property which are sometimes effected in view to make Government dues irrecoverable and to thereby defraud Government.

(3) The proviso which is inserted at the end of clause (6) of para 7, is necessary to legalize the existing practice in certain localities, where the farmers are allowed to pay for full casks and remove the whole quantity at once to their shops, or to a depôt which they are allowed to open in a convenient village within the farm and to issue therefrom necessary supplies to their shops.

(4) Clause (7) of para 7 is modified so as to make the condition clearer and also to legalize the existing practice regarding the issue of sample bottles.

(5) Clause (11) of para 7 is altered so as to make it accord with clause (11) of para 5 of the Coddy Notification

Notification for the sale of Separate Shops.

(6) For the reasons given in clause (1) above, the addition made in para 5 is necessary.

3. On the above proposals being approved by Government, draft Notification for making similar additions and alterations in the Arrack Rules also will be submitted.

4. The Schedules will follow.

From the above it will be seen that the rent of the separate shops rose high in all the tracts except in the Mysore city, Hassan and Chickmagalur towns

towns where the losses sustained by the farmers in the previous year, have affected the rental for the current year. However, the results of the separate shops on the whole shew a net increase of Rs 35,980, due to keen competition among the bidders in anticipation of the better season with the close of the Fikari year, and to the continued influx of labouring classes in the Kolar gold Fields where they get high rates of wages.

3. In the case of the arrack Vend farms also the rents advanced generally, except in the Bangalore, Hassan and Kadur Districts, where the reverses met with by the farmers on account of the diminished consumption in the previous year owing to the unfavorable season and the consequent high prices of food grains and the continued depression in Coffee industry, were the cause of the decrease. Therefore on the whole there was only a net increase of Rs 9,126-12-0

over the previous year's rental both under "arrack vend farms" and "Separate shops". The increase under Separate shops was general in all the tracts except in the Mysore city, Hassan & Chickmagalur towns where there was a small decrease which is attributed to the heavy losses sustained by the shop-keepers of the previous year. The marked increase of Rs 35,980/- which occurred in the Kolar Gold Fields alone is reported to be due to keen competition among the bidders in anticipation of a better season with the close of the year "Vikari", as well as to the continued influx of labouring classes to the Gold Fields.

A small increase occurred ~~at~~ under "Vend farms" in all the Districts except ~~the~~ Bangalore, Hassan and Kadur, ~~in~~ where there was a small decrease attributable to the ~~unfavorable season and the consequent high prices of food grains~~ experience gained by the renters met with in the previous year owing to the unfavorable season & the consequent high prices of food grains, as also the depression of the coffee industry.
